Unit 7: Spelling Patterns through Phonograms

SKILL FOCUS: Reinforce correct spelling of words containing soft and hard c and g, doubling the final consonant, words with *gui, gue, gh, dge, au, ow, ou, ough, augh, ei, ie*, and adding suffixes to words ending in *-ce* and *-ge*.

Name: _____

Date: _____

Personal Message:

This next exercise is all about reinforcing some of the trickiest spelling patterns in English. Spelling rules can sometimes feel overwhelming, but consistent practice is the key. Each time you apply these patterns, you're building stronger connections in your brain—and that's what leads to long-term improvement.

As you go through this exercise, focus on the words that challenge you the most. If you're already confident in a word, feel free to skip it and spend more time on the ones that need extra attention. The goal is to make your practice as effective as possible for you.

P.S. If you'd like to start using the Spelling Journal aligned with this program, you can download it [here](#). It's designed to help you set goals, track progress, and reflect on your learning—whether you prefer typing, using an e-pen, or printing it out.

Warm regards,
Natasha

Activity 7: Write each word twice, making sure to spell it out in your mind as you write. This simple but powerful technique helps reinforce correct spelling and improves recall. Stay focused, and let the patterns sink in!
